ART HISTORY is required for graduation. Art History exposes students to the art of many cultures dating from the ancient world to contemporary works. Students in the 11th or 12th grade may elect to take a semester-long course or a full-year Honors course.

GLOBAL STUDIES is required for graduation. Students in the 12th grade take a full-year course that explores one region of the world, examining the history, culture, current challenges and relationship with the United States.

GLOBAL ONLINE ACADEMY (GOA) is a non-profit global partnership of leading independent schools bringing intellectually challenging programs and excellent teaching online. As a member, Newman School provides its students with the opportunity to participate in classes that are beyond Newman's current course offerings. Students can take GOA classes only after fulfilling Newman requirements.

PEER LEADERSHIP is a selective academic and service course. Through significant reading and daily class discussions, twenty seniors explore the complexities of leadership and the multi-disciplinary nature of leadership studies. In addition, students are assigned in pairs to be Peer Leaders for a group of ninth graders with whom they meet weekly. This course has the same class and study time demands as a traditional academic course. The Peer Leaders have a significant, positive impact on the culture of Newman School.
