Dear Parents,

Thank you for your interest in Newman School. As part of the admission process for grades 5-12, we ask that our applicants take a standardized test know as the ISEE (Independent School Entrance Exam).

For students applying to more than one ISAS school, we will exchange test information so that applicants only need to take the ISEE at one location.

Here is the information regarding test registration:

- Registration for the ISEE must be done online at least 3 weeks in advance.
- Click on ISEEonline.erblearn.org
- Select ‘Create a Parent Account’ and provide parent information.
- Select ‘Add a Student’ and provide requested student information.
- Select ‘Search and Register’ for available tests. You can find available testing using the date, school code (Newman’s code is (192045) or the EVENT code from below.
- Additional testing will also be available during the week…as needed.

Test Dates

Saturday, January 8, 2022  
Event Code: UVU4XZL2

Saturday, February 5, 2022  
Event Code: SZYJFT57

If your child requires special accommodations for testing, you will be given the option to select that interest before creating an account. Carefully review the requirements for approval and all available options. Accommodations must be approved by ISEE prior to registering for a test.

On the day of testing, please arrive for check-in at 8:30 a.m. Each student should bring a few #2 sharpened pencils, registration ticket, a bottle of water and a snack.

Please call if you have any additional questions. 504-896-6336

Sincerely,

Joanne Skertich
Associate Director of Admission
